

WBL COMPETITION REPRESENTATIVE

The F & GP committee has organised an inter-club tournament this season in an effort to replace the Handicapped Knock Out Tournaments of pre-Covid years. Linda Smith and Dan Jackson have set this new tournament up, but the League really needs another person to lead any future tournaments that it will hold, and would welcome some volunteers.

The following points outline the responsibilities that a competition representative would undertake.

- 1) Liaise with F&GP sub-committee to discuss type of event to be planned.
- 2) Provisionally book venue, facilitate shuttles, etc.
- 3) Contact clubs with provisional date and type of tournament including provisional cost per team/club, numbers/gender in each team, and request interest in participation.
- 4) Liaise with F&GP sub-committee to outline entries and style of tournament, and trophies for presentation.
- 5) Book venue and finalise costs.
- 6) Liaise with clubs with final details.
- 7) Manage the event.

If you would like to help the League run a tournament on an annual basis, please contact Linda Smith, Dan Jackson or Deborah Salter
