

WIRRAL BADMINTON LEAGUE JUNIOR LEAGUE REPRESENTATIVE

The F & GP committee is very keen to develop more Junior participation in Wirral. Our development group led by Andy Meredith is helping to promote badminton and is working with Badminton England and Active Wirral to get this underway.

The F&GP committee would really appreciate some further help with the promotion and organisation of Junior events and promote the growth of junior badminton across the borough and would welcome appropriate volunteers accordingly.

The following points outline the responsibilities that a Junior League Representative would undertake:

1. To liaise with all WBL clubs to determine the number of junior clubs already in existence and U16 players within clubs.
2. To arrange a meeting for junior club officials to discuss the promotion of friendly / league matches for junior players.
3. To hold meetings at beginning and end of each season to discuss progress and developments.
4. To form a list of level 1 and 2 coaches within WBL and to facilitate linking coaches to junior league clubs if required.
5. To provide advice and be a central point of contact for junior league clubs.
6. To collate results and provide league tables if matches can be resumed.
